### About Women's History Month...

Each October, we celebrate of the contributions of women to Canadian society and recognize the achievements of women from all walks of life.

October 18, 2010 marks the 81<sup>st</sup> *Anniversary of the 1929 Persons Case*, in which women were legally declared persons, a significant historical event that changed the lives of many people.

'Pink Tea' is a term used by the suffragettes as code for a meeting. The use of this code enabled the women to organize without the disturbance of those who opposed their agenda.
